

(2) In the case of envelopes transmitted by post, the flap should contain instructions to the post office to impress its stamp on the slip only, even in the cases of envelopes on which the names of addressees have already been printed. Envelopes should be collected and returned to the office of issue as already directed in the Office Memorandum referred to above.

(3) In the case of long envelopes, slips with perforated cages may be pasted over the flaps only one cage, namely, the outermost one on which the address is written, being gummed and utilised each time the cover is sent out.

(4) Wherever practicable, combined letter-envelopes should be brought into use and the use of separate envelopes dispensed with.

(5) The Superintendent, Government Printing and Stationery, will print slips to suit the several sizes of envelopes and supply them to the several officers together with the combined letter-envelopes.

(6) The supply of envelopes to Departments will be reduced by 50 per cent as the general observance of the above instructions is expected to result in a considerable saving in envelopes.

The normal receipts in respect of Tumkur and Chitaldrug Districts have been estimated at less than the amounts of the previous year. The reasons therefor should have been explained.

2. Inclusive of Rs. 60,998 the contribution from State Funds for maintenance of river channels which will be allotted from the provision of Rs. one lakh made in the State Budget under "23 Irrigation works charged to Revenue—4 Repairs," the total estimated receipts on 1st July 1932 will be Rs. 4,11,300. The Revenue Commissioner has taken credit for a sum of Rs. 68,609 as contribution from State Funds towards Establishment and Tools and Plant charges, which it is not possible to allot under the present conditions. Hence it is omitted. The establishment and Tools and Plant charges will be debited to the Irrigation Cess Fund itself as usual.

3. The Revenue Commissioner has proposed a programme of expenditure which amounts to Rs. 4,49,765, against the estimated receipts of Rs. 4,11,300. The Budget
